

FIND THE FIBER.

It's not hard. Everything in these two pictures is loaded with fiber! Your go-to sources for this all-

important nutrient should look like this stuff: fresh whole fruits and veggies,

beans, nuts, and grain products that are whole (like brown rice, corn, and quinoa) or processed grain foods (like bread, cereal, and pasta) that are made with at least 50% whole grains. Try to get

most of your fiber where it occurs naturally, rather than from highly

processed foods that include fiber as an added ingredient so they can be sold as "high fiber."

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

Monday, November 11

Veterans' Day!
No School

Thank You

Tuesday, November 12
